FOREWORD

Throughout our long history of publishing, the primary goal of **The Official Catholic Directory®** has always been to provide a detailed and thorough portrait of the Roman Catholic Church in the United States.

As in years past, we have provided the very useful Archdioceses and Dioceses of the World listings. In this section, with permission granted by the publishers of the *Annuario Pontificio*, we have an alphabetical list of all the Archdioceses and Dioceses of the World. Listings contain the ordinary of the (arch)diocese, telephone, fax, email and website which are useful in securing sacramental records and facilitating communication.

The second area of **Part II** is the new and updated (arch)diocesan information not appearing in the main volume.

As with the main volume of **The Official Catholic Directory 2015**, it is with pleasure that we present **The Official Catholic Directory 2015 Part II**.

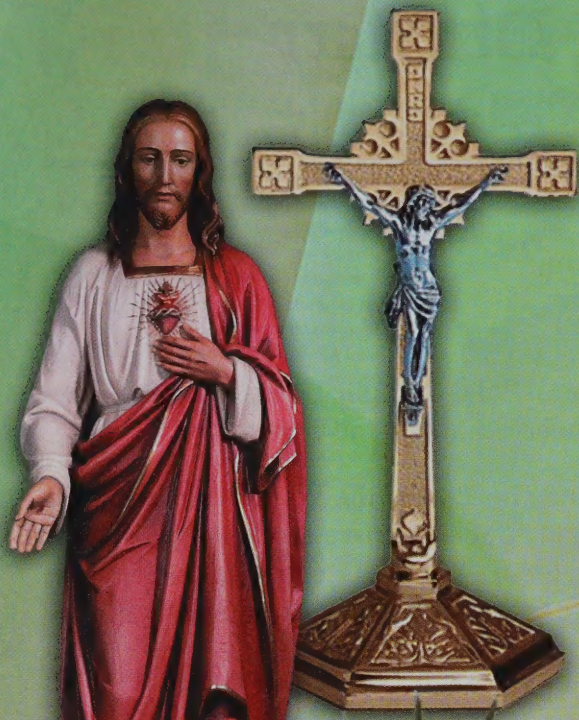

Sincerely,

A handwritten signature in black ink, reading "Robert J. Docherty". The signature is fluid and cursive, with a long horizontal line extending from the end of the name.

MMXV

Pastoral ministry in a missionary key seeks to abandon the complacent attitude that says, 'We have always done it this way.' I invite everyone to be bold and creative in this task of rethinking the goals, structures, style and methods of evangelization in their respective communities.

— "Evangelii Gaudium," Pope Francis,
Apostolic Exhortation 2014, page 18

Gallagher named one of the World's Most Ethical Companies for 2015—for the fourth consecutive year—and the only insurance broker on the list. (Ethisphere Institute, March 2015)
